

# TEGO® Polish Additiv WE 50

Technical Information

## TEGO® Polish Additiv WE 50

### For Powerful Cleaning and Universal Care

- Multifunctional cleaning and care agent
- Provides high speed and streak-free cleaning on wooden floors, laminates, glass and plastics
- Makes aged surfaces look like new
- Shows dust and water repellent properties
- Wet surfaces dry spotless
- Easy to process

#### Composition

TEGO® Polish Additiv WE 50 is a concentrated O/W emulsion containing avocado oil and a silicone emulsifier. It is free of silicone oils.

#### Chemical and physical properties (not part of specification)

Appearance	white liquid
Active matter	50%
Emulsion type	non-ionic O/W emulsion
Viscosity (20 °C)	30 mPas
pH	neutral

#### Properties and applications

- TEGO® Polish Additiv WE 50 provides excellent cleaning, gloss and colour enhancement on a variety of surfaces.
- Surfaces cleaned with TEGO® Polish Additiv WE 50 dry without streaks and spots even without additional dry wiping.

- TEGO® Polish Additiv WE 50 gives good water repellency and protects wooden floors and laminates from moisture.
- Cleaned floors do not become slippery.
- TEGO® Polish Additiv WE 50 offers dust prevention mainly on plastic surfaces.
- Treated surfaces like car dashboards offer a pleasant, non-greasy touch.
- TEGO® Polish Additiv WE 50 is particularly suitable for cleaning of windows and mirrors without tiresome dry wiping.
- TEGO® Polish Additiv WE 50 can be used in household and industrial floor and hard surface cleaning products, in car cleaning and care products and in cleaners for glass and natural shiny surfaces.

#### Packaging

- 25 kg drum
- 200 kg drum

#### Storage stability

The product should be stored in sealed original package at temperatures between 10 °C and 30 °C. At temperatures below 0 °C the product can be damaged.

#### Hazardous goods classification

Information concerning

- classification and labelling according to regulations for transport and for dangerous substances
- protective measures for storage and handling
- measures in case of accidents and fires
- toxicity and ecological effects

is given in our material safety data sheets.
