STANDARD APPLICATIONS

MIRACARE[®] SOFT S 525 MB is a mild sulfate-free and multifunctional performance concentrate. It is optimized to deliver several otherwise-solid ingredients, in a high-active liquid form that is both sustainable and easy-to-process. As a primary core component of shampoo formulations, it can be supplemented with different kinds of secondary surfactants (anionic and amphoteric) to fine-tune the consumers' experience and benefits (flash foam, texture, conditioning) and create different types of shampoos. Synergistic with cationic guar, it best performs on hair with Solvay's line of new-generation Jaguars[®].

PRINCIPAL USES

Shampoos 20 – 25%

STANDARD PACKAGING

MIRACARE[®] SOFT S 525 MB is available in Bulk Quantities, and 460 LB. Closed Head Poly Drums. Alternative package sizes may be available upon request.

SHELF LIFE

MIRACARE[®] SOFT S 525 MB has a shelf life of 365 days.
