

BRB 1736

INCI NAME: Dimethicone (and) Dimethiconol

Issue date: May, 2015

Description

BRB 1736 is a clear solution of dimethiconol gum into a low viscosity dimethicone fluid.

Application

BRB 1736 is suitable for body and skin care, antiperspirant and deodorants, sunscreen products, color cosmetic and hair care.

Features

- Imparts emollience to skin, providing lubricious and silky feel
- Gives spreadability to any kind of formula
- Provides a breathable non-comedogenic protection barrier
- Improves substantivity on surface, helping to fix other actives
- Water resistance supply on skin and hair, with non-occlusive film
- Yields shine and high conditioning effect on hair

Benefits

- Superior soft and silky feel
- Film forming and long lasting
- Excellent spreading
- Water resistance
- Conditioning for hair. Repairs and protects from external damage
