

## BIOCHEMICA® COCONUT OIL EV ORGANIC

---

**INCI Name:** Cocos Nucifera (Coconut) Oil

**Product Code:** EVCO

**CAS #:** 8001-31-8

**EINECS:** 232-282-8

**Brand:** Biochemica®

Biochemica® Coconut Oil EV Org (Extra Virgin-Certified Organic; EVCO) as supplied by The Hallstar Company may be used for personal care or food applications. This coconut oil may be used in personal care product formulations to reduce cutaneous dryness to assist in moisturization after exposure to sun and other harsh elements. At room temperature it is a semi-solid and melts immediately on contact with the skin. It is completely oil miscible and contains no preservatives or coloring agents. Because of its organic nature, Biochemica® Coconut Oil EV Org carries the natural aroma of a freshly split coconut which will surely enhance your formula's aesthetic qualities.
